

### What our participants say about us

"The camp was totally awesome. It was a unique experience of my life. I learnt a lot, overcame my fear of heights and had new-found confidence at the end of the camp."

**Ishifa Mahajan,  
Participant**

"It was exciting to spend a night in a tent with my classmates. We were very well taken care of – the camp was very well planned, the food was great and the trainers were very friendly"

**Sajan Sridhar,  
participant**

"Leave aside the students, it was a out-of-this-world experience for the faculty also. The camp is in the most beautiful natural surroundings and a must try for students"

**Sahil Verma,  
Faculty Member  
& Participant**

"The camp was eye-opening. I realized the importance of trusting others, working in a team, leadership and the art of communicating. I feel energized and empowered"

### ABOUT US

"I Survive" is a unique initiative primarily targeted at the youth for attitude shaping and developing life skills. The idea is to take students out of their comfort zones and instill in them new attitudes, fresh ideas and motivate them to cultivate essential survival skills to succeed in today's competitive world. The "I Survive" camp set in a picturesque location at Patnitop - a premier hill-station, 112 Km from Jammu at an altitude of 2024 Mtrs - is equipped with modern tents and all basic amenities giving the participants a unique outdoor experience. Packaged in a fun format, the camp delivers very important learnings through elaborate debriefing exercises by expert trainers, hence it is a novel academic initiative for today's youth.

### CORPORATE EVENTS

The camp is fully equipped to organize specialized events for corporates including overnight camps, hikes of varying difficulties, adventure activities, leadership and team building activities and trainings. All aspects of the camp can be fully customized as per the needs of the client.

### OPERATING MONTHS

The camp operates during April to November each year. However, there can be minor variations based on seasonal changes or during periods of snowfall.

### DURATION

Typical overnight camps are of 26-28 hour duration (excluding travel time), while longer camps are for 2 nights and 3 days. Camp duration can be customized as per needs of the participants.

### BATCH SIZE

The camp can accommodate a maximum of 60 participants at a time with shared tented accommodation. However customized programmes can be created as per the need of the participants.
